**Subject:** U.S. EPA Letter to Navy with Recommendations for Plans Regarding Tetra Tech EC, Inc.  
**Attachments:** EPA Recommendations to Navy re Tetra Tech ECI summary 12-14-2016.pdf

Robert –

My Superfund Division colleague, Lily Lee, shared with me a PDF copy of a U.S. EPA December 14, 2016 letter to the Navy with recommendations for plans regarding Tetra Tech EC, Inc. to rebuild confidence at the Hunters Point Naval Shipyard that I wanted to pass along to you to keep you updated on progress at the site.

Please let me know if you have any questions or need any additional information.

Regards,

*Brent Maier*
